

# Titan Times

Mon-Thurs 7:45am-2:15pm, and Fri. 7:45am-noon  
In the Rose Park Media Center (Library)

## Science Day

### Tuesday September 27

will host hands-on science activities  
Everything from cells, DNA, and  
physics and robotics. Rose Park students are  
**SCIENCE!**

A screenshot of the Adventure Science Center website. The page has a green header with navigation links: Admission & Tickets, Hours & Directions, and Membership. The main content area features the Adventure Science Center logo, a search bar, and a section titled 'Dive into deep-sea exploration' with the word 'EXTREME' in a green box. The background of the website shows a deep-sea exploration scene with various marine life.
